"Enclosed are rough notes obtained from Army, Navy, State, & CIA Library"

Buck slip fr OCD Library to AD/OCD, Chief Liaison Br., Chief Library
"Proposed Accessions List will duplicate, in part, the CIA Library Weekly Accession List unless FDB includes material acquired from intelligence sources only. The scientific list should be called "Scientific" instead of "Technical". This suggestion is made in order to offset recipient confusion because of a former "technical" accession list which FDB issued and distributed."
